

Spring 2015

# SMOKE SIGNALS

VILLAGE OF TEQUESTA NEWSLETTER

*From the Desk of*  
**Abby Brennan**  
*Mayor*

Abby Brennan

It's Spring once again in the lovely Village of Tequesta. Our guests from the north have made their way back home and now it's our time to unwind and enjoy the slower pace that this time of year brings. Spring is also synonymous with blossoms and new growth... and blossoming we are!

New retail stores, restaurants and businesses continue to open in the Village as our community becomes ever-more desirable. Tequesta's real estate market is also booming and, as realtors often refer to it, there is a "lack of inventory" for the people who wish to call Tequesta home.

Many of us are also noticing that more young families are finding their way into our safe and friendly neighborhoods. Parents pushing strollers, little ones on bicycles, and "soccer moms" waiting at the bus stops are indications of a new and welcome dynamic occurring in the Village. This shift in our demographics is evidenced by the evolution of events and programs being offered by Tequesta's Parks and Recreation Department. Seasonal happenings like the Food Truck Pow-Wow, Summer Camp and Movies in the Park join our annual Tree Lighting, Easter Egg Hunt and Tequesta Fest as true hometown events abounding with wholesome and family-friendly activities.

Tequesta's Police and Fire Rescue Departments are also adding events and expanding services in response to the needs and desires of our growing community. Police officers teach bicycle safety at bicycle rodeos and a youths' aquatic and boating safety program is offered by the Police Nautical Club. This past March, firefighters held their second annual Easter Egg Hunt and Open House where "kids of all ages" enjoyed a continental breakfast, tours of the firehouse and rides on the firetruck. Many other events are being added each year so please check our website often at [www.tequesta.org](http://www.tequesta.org) to see what exciting things are going on in the Village.

There are new projects on the horizon as well. After an extensive public outreach effort, we are planning to reconfigure the traffic lanes on US 1 to improve accessibility and safety for motorists, pedestrians and bicycle riders. Superior lighting, strategically placed right turn lanes, stamped and colored crosswalks and wider sidewalks are being designed and incorporated into the project. The restriping and new configuration of the six lanes on US 1 maintain the roadway width as it is today...with an important advancement. Safety, safety, safety!

The members of the Village Council are also working to establish a long-range capital improvements plan. This process is integral to assuring that we provide for the future needs of the Village and deliver the important services desired by our residents. One exciting component of the plan is the proposed expansion and enhancement of Tequesta's public parks and roadway system.

While there are many new things occurring in the Village of Tequesta, we also honor the essential roots of our very special community. A celebration of both is what makes us delightfully unique!

*Mayor Abby Brennan*

## COUNCIL RECOGNIZES THE HARD WORK OF OUR VOLUNTEERS

On Wednesday, April 22 the Village Hall Council Chambers underwent a drastic renovation and became the French Quarters, complete with Cajun food and decorations to match. The Mardi Gras festivities took place to thank the Village's volunteers for their dedication and commitment to our residents and for the countless hours they donate each year. Our volunteers impart a significant amount of volunteer hours each year through their devoted service on the various boards and committees, Citizens on Patrol program, Chili Cook-off and by assisting the Parks and Recreation Department with its numerous events. Volunteering offers an opportunity to inspire, recognize, and encourage people to seek out creative ways to engage in their communities. By working together, we have the ability to meet our challenges and accomplish our goals.

Following past traditions, the Mayor, Council and Manager served dinner to our volunteers as an appreciation for their distinguished service to the Village. This year a Cajun cuisine was selected and prepared by RJ's Native Sun Café (RJ's BBQ), a new restaurant in the Publix shopping center.

*Thank you Tequesta Volunteers!*

## FIRE RECEIVES AWARD FOR WORK DURING GAS LEAK

Left to right: Capt. James Trube, Vanessa Smolen, Kris Wilhelm

On June 26, 2014, the Village of Tequesta experienced the largest HazMat call in the history of our department. While the call was located in an unincorporated pocket within our Village, Tequesta Fire-Rescue was the first agency on the scene. The call itself was one of the largest fire rescue responses in Palm Beach County's history with over 50 units dispatched, between 1,000 and 1,500 people evacuated, and 3 to 4 million gallons of water used. The incident involved shutting down the railroad, all local highway traffic and the creation of a no-fly zone.

During the after-action review, Palm Beach County Fire Rescue singled out the Tequesta Fire-Rescue for the efforts of our crews, in part, that the initial actions of Engine 85, including the use of master stream device and large diameter hose, set the tone for the incident eventually leading to a successful outcome.

On February 27, at the Palm Beach County Fire-Rescue Awards Banquet, Tequesta B-Shift E-85 crew (Capt. James Trube, Firefighter/EMT Vanessa Smolen and Firefighter/EMT Kris Wilhelm) were recognized by Palm Beach County Fire Rescue for actions taken during the gas leak incident. Tequesta Fire-Rescue was named the runner up for "Call of the Year", and awarded a "Unit Citation", and the "Professional Partnership Award". We could not be prouder of the actions taken by this crew and they represent exactly the level of service we strive to provide our residents.

## WELCOME SAM HEADY DEPUTY DIRECTOR OF UTILITIES

The Village of Tequesta's new Deputy Utility Director, Sam Heady, officially started on Monday, March 2. Sam comes from the City of West Palm Beach where he served as the Assistant Director of Utilities since 2009 and prior to that he served as the Director of Operations for Quanta Services in Houston, TX.

Mr. Heady has a BS in Organizational Management with a minor in Business, has 15 years in the utility business, is a certified Flood Plain Manager, is Six Sigma certified and has a certification in utility Management.

Sam has been happily married for 24 years and has a 10 year old son. His family loves all the outdoor sports Florida has to offer.

To meet Mr. Heady, give him a call at 561-768-0493.

## HIGH VISIBILITY TRAFFIC ENFORCEMENT ENDEAVOR

On March 27, 2015, members of the Tequesta Police Department participated in a High Visibility Traffic Enforcement Endeavor (traffic saturation). The initiative took place from 7:00 AM to 12:00 PM, focusing on the morning rush hour, as many complaints come from residents regarding traffic violations during this peak period. Officers enforced traffic laws such as violation of traffic lights and stop signs, speeding, failing to use traffic control devices (such as illegal lane changes or illegal U turns) and careless driving. These situations create dangerous moments that can cause vehicle crashes. At the end of the day, our officers issued numerous traffic warnings and citations resulting from violations of traffic laws. We would like to remind you that the Tequesta Police Department takes aggressive driving seriously and we actively encourage safe driving.

Over the last four years, the Tequesta Firefighters and the Tequesta Brewing Company have teamed up to present the Annual Firefighters Chili Cook-off. Through those efforts, they have raised over \$70,000 for Honor Flight. Honor Flight is an all-volunteer organization that raises money to take WWII veterans to Washington DC to see the WWII Memorial. Since its completion in 2004, most WWII Veterans will never have the chance to see it.

On Saturday, April 18, five Tequesta Firefighters and one Brewmaster teamed up with six local WWII Veterans and joined 62 other Veterans on an Honor Flight trip to Washington DC to visit the WWII Memorial, the Marine Corps War Memorial (Iwo Jima) and Arlington National Cemetery for the Changing of the Guard. Capt. Dan Tilles, Firemedic Peter Allen, Firemedic Jason Fawcett, Firemedic David McGovern and Firefighter/EMT Kris Wilhelm, along with Fran

Andrewlevich, the Brewmaster at the Tequesta Brewing Company spent the day escorting their Veterans around Washington DC. The hearty Vets were even able to shake the hand of retired Senator Bob Dole, who was at the WWII Memorial to greet them.

The youngest Veteran on this trip was 86 years old and the oldest was 98 years old. The Veterans were welcomed at Reagan National Airport by hundreds of people, young and old, cheering them on and thanking them for their service. An even bigger crowd waited at PBI (Palm Beach International Airport) for their return. At the first stop, the WWII Memorial, Norman Hall of Tequesta said "If I don't see anything else today it's already been more than I could have imagined!" It was truly the trip of a lifetime for all who attended.

## OFFICERS RECEIVE COMMENDATION

Police Chief Christopher Elg recently extended a commendation to Officer Evan Kozak for his part in a "small and successful rescue op" (as Kozak's supervisor so modestly put it). Officer Kozak has been with the police department for less than a year and has already distinguished himself in many areas. It comes as no surprise that Officer Kozak was right there to render potential life saving assistance to two boaters while he was on marine patrol. Chief Elg thanks Officer Kozak for his continued dedication to duty and his quick and able response to the distress call that was overheard on the radio.

Officer Evan Kozak

Police Chief Elg also commended Officer Kozak's supervisor, Corporal Emir Yildiz, who provided a tremendous job as the Police Department PIO and social media guru. His efforts have enlightened many in the Village, as well as across this country, of the accomplishments of the fine men and women of the Tequesta Police Department.

Officer Emir Yildiz

## Around Town

### BUILDING AND CODE ENFORCEMENT NEWS

#### Code Enforcement Friendly Reminders

- Construction sites within the Village must be kept free of construction material
- Off-street parking must be provided for personal vehicles and equipment
- Where mud, dirt, or concrete is tracked, deposited, or spilled onto any road surface it shall be immediately removed by the person responsible
- Violations shall be corrected within 24 hours of notice by Code Enforcement
- Property owners and their general contractors are jointly and severally responsible for compliance with these provisions

### MAY IS BUILDING SAFETY MONTH

May is Building Safety Month and this year's theme is "Resilient Communities Start with Building Codes." Founded by the International Code Council (ICC), Building Safety Month (BSM) is celebrated by jurisdictions worldwide during the month of May and this year marks the 35th annual celebration.

Building Safety Month is a public awareness campaign offered each year to help individuals, families and businesses understand what it takes to create and sustain safe and sustainable structures. The campaign reinforces the need for adoption of modern, model building codes, a strong and efficient system of code enforcement and a well-trained, professional workforce to maintain the system.

### FLORIDA BUILDING CODE TO GO INTO EFFECT JUNE 30

The 2014 Edition of the Florida Building Code (5th Edition) will go into effect at midnight June 30th. On Wednesday morning July 1st, the Village of Tequesta Building Department will no longer accept applications for permits designed under the 2010 editions of the code. All proposed construction and remodeling plans must reference the newly adopted 5th Edition FBC.

In addition the new 5th Edition FBC references the 2011 National Electrical Code (NEC) as the electrical Standard for Florida. Code books are currently available through the Building Officials Association of Florida at [www.boaf.net](http://www.boaf.net) and the International Code Council at [www.iccsafe.org](http://www.iccsafe.org).

For questions regarding any of the above subjects, contact the Building Department at (561) 768-0450.

### FOR THE RECORD Now On-Line

The Village maintains all records corresponding with the Council agenda in the Document Center. To access the Document Center, visit the Village's website [tequesta.org](http://tequesta.org). Click on the green Document Center icon, where you will be directed to the imaging center. From here you can view, save, and print the agenda, minutes, agenda backup, ordinances, resolutions and agreements. You can also listen to the meeting audio. Still have questions; please contact the Village Clerk at 561-768-0440 or [lmwilliams@tequesta.org](mailto:lmwilliams@tequesta.org).

Document Center

## MILITARY-TO-MAIN-STREET

"Continuing To Serve With Honor"

Military-To-Main- Street Police Officers Swearing In, March 10th, 2015

L to R: Police Chief Christopher Elg, Off. Brandon Saptor, Off. Jordan Foe, Off. Casey Stripling, Off. Robert Robinson, Asst. Chief Rick Ricciardi.

Tequesta says "Thanks For Your Service" with a great job offer for veterans!

In March of 2014, the Village of Tequesta approved a program to welcome our returning Veterans home to a special opportunity called Military-To-Main-Street. Military-To-Main-Street was available to men and women who were honorably discharged from the United States Army, Navy, Marine Corps, Air Force or Coast Guard. The Village of Tequesta wished to recognize their dedicated service to our country and help them secure a pathway towards a career in civilian law enforcement.

**The Offer: Complete Training With Pay, and a Career as a Tequesta Police Officer.**

Military members were given priority consideration in the hiring process, and those selected were provided training at the Palm Beach State College Police Academy. The Village also paid for their entire tuition, along with a generous weekly training allowance, as well as incidentals such as books, uniforms, ammunition, etc.

Realizing the response might be greater than the police department's immediate need, the Village sought out other police agencies that were also in need of recruits. While the Village of Tequesta designed the genesis of this unique program, our intent was to encourage other police agencies to use the "Military-To-Main-Street" program as a model in their own departments. "Military-To-Main-Street" was an overt commitment of support, borne out of genuine appreciation of the military Veteran's honorable service to our citizens everywhere.

Four participants were selected from over 110 applications. Following the initial review of applications, 16 were interviewed by members of an oral board (citizens and police officials) and scored on their responses. The candidates were ranked and the top six proceeded to the background investigation stage. Upon completion of that stage, the top four were selected to attend the Palm Beach State College Police Academy running from August 2014 – February 2015.

The Village's four Military-To-Main Street participants - Jordan Foe (Army), Robert Robinson (Navy), Brandon Saptor (Army) and Casey Stripling (Coast Guard) - graduated from the Palm Beach State College Police Academy on February 12, 2015. "They earned the opportunity to attend the academy because they first chose to serve our country in the military," said Tequesta Police Chief Christopher Elg. "The Village of Tequesta has provided them with the opportunity for a smooth transition back into their communities as qualified police officers. These four graduates not only successfully completed the course of instruction; they each excelled in different areas of the training." The four officers were sworn in on March 10, 2015 and are currently going through field training.

The Village is grateful for our Veterans and their service to our country and we know the graduates and their families are grateful for this experience. "After seeing how few people were actually sponsored by different departments, I just wanted to let the Village know how much we appreciate your sponsorship," said Robert Robinson's Father-in-Law Mark Golding. "Being a police officer has been Robert's goal for years and he will be a great addition to the Village's police department."

While there were many lessons learned during the implementation of the program, we found there are plenty of military Veterans interested in an opportunity to continue their service as law enforcement officers. Chief Elg's tip is to, "be prepared for an onslaught of applications and interest." Overall, the Village of Tequesta is thrilled to have been able to assist four well deserving military Veteran's transition back into civilian life and we are proud of the dedication and commitment these four graduates have made through their military service to their fellow citizens and we as a Village look forward to following their career successes.

### Up close and personal with our Military-To-Main-Street participants

Robert Robinson (Navy) recalled, "When my Naval Supervisor told me of this opportunity, it took me only 30 seconds to log onto my computer and retrieve the application." Robinson previously attended the Naval Police Academy and has a long-standing interest in becoming a law enforcement officer. During the Naval Police Academy, he endured physical and painful drills combined with long hours of extensive coursework. He believes these experiences provided him with a sound foundation that helped him through the academy.

Jordan Foe's Cousin Jon Alvarez, a former Tequesta police officer, alerted Jordan (Army) of the opportunity. Jordan stated, "When my cousin began his law enforcement career, he became my role model. Jon always spoke highly of the Tequesta Police Department." All roads led Jordan through green lights - from his longtime interest in policing, to the recommendation of his cousin, through the various intense interview processes, through the Academy and finally to the road in the Village. Jordan is looking forward to building relationships with his fellow academy recruits and now his brothers and sisters in blue.

Casey Stripling (Coast Guard) learned of the Military-To-Main-Street program from her Coast Guard supervisor. Stripling said, "With my service about to end, I was struggling with what I was going to do. I considered being a firefighter as well as a police officer. Military-To-Main-Street helped make the decision." Casey believes the academy helped broaden her knowledge of state and local laws while supplementing her knowledge of federal laws as a Coast Guard member.

## NEW TEQUESTA BUSINESSES

Several new businesses opened in Tequesta over the last quarter, with 5 accepting our invitation to be featured in this issue.

### Jupiter Tequesta Air Conditioning, Plumbing & Electric, Inc.

Jupiter Tequesta is an air conditioning, plumbing and electrical service business, that offers 24 hour service, 7 days a week. Jupiter Tequesta was started 33 years ago by Richard Kuntz. Rick's primary focus was to provide service any day or anytime. And today 33 years later Jupiter Tequesta's primary focus is the same offer - service 7 days a week 24 hours a day. Jupiter Tequesta is located in the Tequesta Publix plaza next to Rocky's Hardware store. We have a small showroom to showcase a few of all the major brands we carry. We're located at: 582 N Us Hwy 1 Tequesta FL 33469 Phone: 561-747-5740 • Web: www.jupiter-tequesta.com

### Tico Business Solutions, LLC

Tico Business Solutions provides bookkeeping, payroll and QuickBooks® services to small businesses in the Tequesta-Jupiter area. Sebastian Loiza, owner of Tico Business Solutions is a Certified QuickBooks® Pro-Advisor & Authorized Reseller. My experience and training keeps us up-to-date on accounting products and solutions for today's business needs. I've gathered my QuickBooks knowledge across multiple years, multiple versions, multiple companies, and multiple industries. Please visit my website to learn more about my services and the company. Email me

at sloaiza@ticobookkeeper.com to set up your no-cost, no-obligation 30-minute QuickBooks® needs assessment. Address: 308 Tequesta Dr. Suite 7, Tequesta, FL 33469 • Call us at: (561) 935-9530 Ext.101

### Oceana Coffee

Please visit us for your favorite coffee, latte, pour over, espresso, iced coffee or kombucha! Or take home a fresh bag of our custom roasted beans to brew yourself. We also serve pastries, including gluten free options, breakfast sandwiches, quiches and lunch sandwiches and salads. Oceana Coffee is Palm Beach County's first Specialty grade coffee roaster. Our focus is on small batch roasting to enhance and highlight the array of flavors in our specialty grade, properly roasted coffee. We strive to educate our customers

about coffee and the geographical location of origin as well as how to properly prepare, store, and taste our product. This is all accomplished with the highest level of customer service, provided in a comfortable yet sophisticated atmosphere. We host special events open to the public and offer a private meeting space at our US 1 location in Tequesta. Oceana Coffee – the way to good coffee! great.coffee@oceanacoffee.com

### Prima Body

A holistic health practitioner for 20 years, Denise Wickell, LMT, RA, offers therapeutic massage, skin treatments, classes, and wellness consultations at her company, Prima Body. Try the specialized Raindrop Therapy to assist pain, relaxation, and whole body balance. And don't miss Denise's organic skin treatments! Your face will positively glow after just one treatment which includes massage of the feet, hands, neck, and shoulders. An aromatherapy consultation is also a "must do." Take control of everyday wellness concerns with very simple and very pleasant protocols. As a registered clinical aromatherapist, Denise suggests specific essential oils for your personal needs and instructions

for their safe and effective use. Or take a class and make your own aromatherapy products--it's the most fun you'll have while learning wellness! Located at: 69 Fairview East, Tequesta, FL, 33469 • Phone: 561-308-5217 • Web: www.PrimaBody.com • License # MA20397

### Minute Clinic

Clinic open every day, staffed with nurse practitioners who can diagnose and prescribe medication. Services provided include treatment of minor illnesses such as sinusitis, sore throat, bronchitis, minor injuries, most vaccinations, monitoring of chronic health issues such as diabetes, high blood pressure and cholesterol; DOT, school, sport and work physicals. Most health insurances accepted. Website: minuteclinic.com We're located at: 260 S US Highway 1, Tequesta, FL 33469 Call us at: 1-866-389-2727

## EMPLOYEE MOVEMENTS Dec. 2014 - April. 2015

### JOINING US

Name	Department	Position	Start Date
Cynthia Morabito	Bld. Permit Coord.	Licensing Clerk	3/30/15
Sam Heady	Utilities	Deputy Director	2/23/15
Kellen Gomberg	HR Technician	Records Management	2/20/15
Don Magleby	Parks & Rec.	P/T Park Attendant	2/19/15

### LEAVING US

Name	Department	Position	Departure Date
Abbey Bonea	P/T Permit	Technician Trainee	3/27/15
Nathan Litteral	Water Plant	Superintendent	12/29/14
Laura Rosenkranz	Human Resources	Specialist	3/14/15

## MILESTONES

We would like to begin including a *Milestones* section in Smoke Signals to announce births, graduations, obituaries, scholarships, Eagle Scouts, retirements, etc. To submit an item for the next issue of Smoke Signals, visit the Village's [website](#) and complete the [form](#) and submit it to the Clerk's Office.

## HISTORIC PRESERVATION COMMITTEE

In 2008, the Village Council established a Historic Preservation Committee to provide for the recognition and promotion of historical artifacts and sites through educational and cultural events, and to enhance the cultural significance of the Village's historical objects. The five-member Committee currently is comprised of three full-time residents, with two vacancies available to be filled. Members are Dottie Campbell, Pauline Hutchinson, and Bob Jacks.

Dottie Campbell and her family came here from Atlantis in 1970 where they had lived for five years after moving from Chicago. She has been very active in the community, a local business owner, a former Tequesta Mayor, volunteer on various committees, and always works the elections. She did a wonderful job as Chair of the committee for Tequesta's Golden Tribute, celebrating the 50th anniversary of the Village. She is a charter member of the Historic Preservation Committee.

Pauline Hutchinson and her husband Hal brought their family to Tequesta in 1969 when Mr. Hutchinson was transferred from Pratt Whitney in Connecticut to the local Pratt Whitney. Pauline is a native of Massachusetts. Always interested in Village government, she worked local elections for approximately 15 years, and she and her husband regularly attended Village Council meetings for many years. She has been a member of the Historical Preservation Committee since 2010.

Originally from New Jersey, Bob Jacks was a member of the Merchant Marine on a ship out of Port Canaveral. When his tour ended in 1983, he came to visit his mother in Jupiter, liked the area, and stayed. He worked locally, then went back to the Merchant Marines. He became a member of the Historic Preservation Committee in December 2011.

The Committee has been responsible for the addition of two glass cases in the Village Hall Lobby where historical items are displayed and periodically rotated, and for a hanging system for framed memorabilia in the hallways. A storage area has been designated to accommodate donated historical items, which are cataloged and accessible to residents by appointment. The Committee's upcoming project is to interview residents to preserve their memories on audio or video for the Village archives. If you would like to be interviewed, please call Village Clerk Lori McWilliams at 561-768-0443 for an appointment to be interviewed by one of the Committee members.

Lastly, if you are a long time resident of the Village and are interested in serving on the committee, visit our website and submit an application.

# HURRICANE PREPAREDNESS... ARE YOU READY?

Hurricane season is right around the corner. The dates for the Atlantic side are between June 1st and November 30th, peaking between early August and late October.

There are some items you should have on hand as you prepare for hurricane season:

- Water to last 3 to 7 days. Plan on 1 gallon a day per person.
- Food to last 3 to 7 days (canned and non perishable)
- First aid kit
- Moisture wipes
- Flashlight and batteries
- Battery operated radio
- Cash (ATMs might be down or out of money)
- Toys, books and games to pass the time
- Set of everyday tools
- Vehicle fuel tanks filled up
- Pet care items if you have pets

In the case that a hurricane is headed our way, being prepared is the way to go. Unlike an earthquake, we usually know that a hurricane is en-route and there are good estimates on predicted landfall. This can give us time to prepare our houses and put hurricane shutters up. Your shutters should be attached to the structural framing of the house and not the window or door frames.

Palm Beach County has 15 general shelters. They should be used as a last resort. Be sure to know the route to your closest one. Shelters are first come first serve (they are always on limited capability). Make sure to tell a family member that you will be going to a shelter.

## HURRICANE PREPAREDNESS WEEK May 24 – May 30

Hurricane Preparedness Week runs May 24th through May 30th; with the season in the Atlantic beginning June 1st and ending November 30th. Hurricane hazards come in many forms, including storm surge, heavy rainfall, inland flooding, high winds, tornadoes, and rip currents. It is essential that your family be ready when storms approach.

Driving conditions are horrible after a hurricane and it's highly suggested you stay home until everything is back to normal. Some things to consider:

- Driving will be extremely hazardous. Traffic signs might be inoperative, or might have fallen off. Flooded roads with down power lines are not a good combo either. Don't drive unless it's an absolute must.
- Do not attempt to drive through flooded roads. You never know how deep it is, and might get your vehicle stuck!
- Do not visit disaster areas. Let first responders and utility crews work without interruption.
- Obey curfew hours. They are mandatory when in effect and you may be subject to arrest if you do not obey them. They exist for everyone's safety.

To prepare for possible power outages, you may use a generator to power essential equipment. Here are some things to keep in mind:

- Never use generators indoors. These devices produce carbon monoxide. Make sure they stay outside of your home. Leaving a window open to air out the room/home with a generator running inside will not prevent CO poisoning.
- Never try to power a house by plugging your generator into a wall outlet. This can seriously injure utility workers or a neighbor that shares a transformer with you. This is called "backfeeding".
- All the fuel for the generator should be stored outside. Do not store any of the flammable liquids inside your home, or near the generator. A small spark can start a large fire.

General post storm safety:

- If you have a radio capable of listening to the NOAA weather channels, make sure to tune in.
- Flashlights are much better than candles. Much less chance of a fire after power loss.
- If a road has been closed off, try another route. Don't try to go through it. You will get stuck and we will have to stop our efforts to come and rescue you instead.
- Standing water might be electrically charged from power lines. Do not step in them.
- Do not drink or prepare food with the tap water until it is safe to do so.
- If you feel that your building is not safe, contact a contractor or an engineer.
- Check for water and sewage damage in your home.
- Open up your windows and doors so your house can ventilate if water intruded.

Don't forget police and fire will be working around the clock with utility contractors so we can bring everything back to normal as fast and safely as we can. You can reach us anytime by calling 9-1-1 or (561) 768-0500. During a hurricane, use 911 only for life threatening situations.

# NATIONAL CHILD PASSENGER SAFETY CERTIFICATION

By: Police Chief Christopher Elg

Left to right: Ariel Ramirez and Jonathan Franklin, happy passenger.

## Tequesta Police Department Sends Two Police Officers to Become Technicians

Police Officers Ariel Ramirez and Jonathan Franklin recently attended a four-day certification course that has designated them as our only current Nationally Certified Child Passenger Safety (CPS) Technicians. The safety of our residents, especially those too young to know the importance of buckling up is our number one priority. These officers have taken the time to undergo this instruction taking both written and practical tests to earn the certification.

CPS technicians use their considerable knowledge and expertise at a variety of community-based activities, such as child safety seat checks, where parents and caregivers receive education and hands-on assistance. CPS technicians also keep up-to-date on the latest technical information about child passenger safety through seminars and other continuing education opportunities.

We will immediately begin offering free inspections of child safety seats and assisting with the proper in vehicle installation. All a resident needs to do is contact the police department at (561) 768-0700 and request an inspection and/or installation assistance. If Officer Ramirez or Officer Franklin is working at that time, they will contact you to arrange for a convenient time to visit you or have you come to the station. If they are not on duty, we will take your name and number and contact you the next time they are on duty to arrange a visit.

Some might ask what the big deal is about properly securing their child safety seat or even making sure they always have one available when needed. I will share a quick story from my past that might help answer those concerns. The very first wreck that I was dispatched to as a brand new State Trooper was a double fatality roll over. Two occupants were ejected from the vehicle and were already dead upon my arrival. The driver who was a young woman not wearing her seatbelt and her 18-month-old child was not in a child safety seat. The sole survivor was an eight-year-old girl in the back seat who had buckled her seatbelt on her own. While this occurred almost thirty years ago, I can vividly remember the scene as if it happened yesterday.

I have heard plenty of excuses as to why occupants are not wearing seatbelts or why their child is not in a child safety seat. None hold much weight when it comes to being involved in a crash. Let me address just two of the many reasons I have heard before. One is that I am only going a short distance. The crash I described earlier occurred within two miles of that family's home. According to the National Highway Traffic and Safety Administration approximately 52% of all crashes occur within a 5 mile radius of home while an astounding 69% occur within 10 miles. The second excuse I have often heard is how safely the driver I have pulled over operates a motor vehicle. While that might be true, unfortunately the driver who runs a red light or crosses over the double yellow line may not realize they are about to crash into one of the safest drivers in America.

Let us help you make sure that the most precious cargo you will ever transport is as safe and secure as possible. Please call us and avail yourself of this FREE service. We look forward to hearing from you very soon!

# WATER TREATMENT PLANT RENOVATIONS

The Water Treatment Plant renovations have come to substantial completion. The remodeling of the original filter plant building, which included a conversion to a maintenance shop, replacing the finish water pumps one through four, and the demo of the old steel 1/2 million gallon storage tank at the Public Works facility, and the Sodium Hypochlorite tank replacement project are all completed.

The Water Distribution staff are now working on a planned water meter replacement program to take place in the near future. These changes will help maintain the condition of the Tequesta Water plant and distribution system.

*"Continuous Improvement"*

## Note From Your County Tax Collector REAL ID DEADLINE

The US Department of Homeland Security (DHS) recently announced October 1, 2020 as the New REAL ID Deadline! This new deadline eliminates all previous DHS compliance deadlines. Florida REAL ID documents include state-issued driver licenses and ID cards or a current passport.

To obtain a REAL ID you must come in person to a Tax Collector service center. Florida does not issue REAL ID's online or through the mail. Check your driver's license for a star in the upper right hand corner. If you see a star, it is a REAL ID. If not, you will need to get one.

To get a REAL ID, there are specific DHS identification requirements you must meet. These include a minimum of:

- A certified birth certificate
- Original social security card, and
- Two proofs of residential address

After 2020, everyone will be required to have a REAL ID to board a commercial flight or enter a federal building. For additional information, including service center locations and to make appointments, visit [www.pbctax.com/real-id](http://www.pbctax.com/real-id).

## FIRE'S TAKE A CHILD TO SCHOOL DAY

L to R: Brennan DeForest and Firefighter David McGovern

On Thursday, March 4, 2015, Firefighter David McGovern, along with his fellow shift officers, drew the winning name of the Presbyterian Preschool student who is this year's Take A Child to School Day winner. With all the classes gathering in the courtyard, all dressed for Dr. Seuss' Wacky Wednesday, FF McGovern drew the name of student Brennan DeForest as the event's second winner.

According to Preschool Director, Penny Rogers, the school fundraiser raised approximately \$500 and will be used for playground benches.

On Thursday, March 12, 2015, the Fire Department stopped by Brennan's home, provided him with a firefighter's uniform, gave him a tour of the fire truck, and drove him through the Village to school in the fire truck. He arrived at school with the entire school waiting.

Congratulations Brennan

# Village of Tequesta Business List

The following is a complete listing of all Village of Tequesta businesses as of April 27, 2015. The Village's website contains a wealth of information, including a business directory. You can access this directory via:

• [TEQUESTA.ORG](http://TEQUESTA.ORG) • RESIDENTS • TEQUESTA BUSINESSES

Here you can search for businesses based on name, phone, or even a specialized category (restaurant, realtor, services, amusement, etc.). Additionally, the location of the business can be located by clicking the "View Map" link.

The Clerk's Office is working to improve this business list, but we need your help. We can include a great deal of information including a website address and even a short description of available services. Should you wish to have a complete listing on our website, please complete the form and return it to the Clerk's Office. Businesses that have paid and are current on their annual business tax receipt, will be included within this directory. The form can also be accessed via our website at [www.tequesta.org/index.aspx?nid=1221](http://www.tequesta.org/index.aspx?nid=1221) and filled in online and emailed to the Clerk's Office.
