

Treasure Coast Carpet and Interiors, Inc.

We are a family owned and operated interior design store. Our 3,300 square foot showroom, located in Tequesta, provides an incredibly diverse selection of curated product lines we trust from carpets and laminate to authentic wood flooring & more. In addition, we provide personalized one-on-one consulting to every client who walks through the door to ensure they find a flooring option that is best for them and their home.

Treasure Coast Carpet handles all aspects of the job from product selection to installation. We also utilize our own contractors, many of which have been with us since the very beginning. These expert installers specialize in various areas from wood, tile, carpet & blinds and help us provide a start-to-end service that is second to none.

Come visit us soon and enjoy the Treasure Coast Carpet & Interiors experience!
