Come check us out and enjoy some great food, ice-cold beverages as well as the great atmosphere that surrounds us all.

SINCE 2020

When “Judy’s Highway Cafe” was sold, we wanted make sure that the traditional biker bar would always remain in its place. That was when “Handlebars” was born! We set out to keep the traditional look and feel of the establishment, but at the same time, we gave her a facelift, some new paint, and new tools for the kitchen.

No matter how tough the hurdles were we had to jump through, we pushed through and won! We are now open for business!

Help us become the #1 Biker Bar in South Florida in 2021!
