*Connecting our Past to our Present - One Story at a Time*

## Millie and Ian Eyeington

We are delighted to welcome the Eyeington family to our home - Tequesta. Millie and Ian brought along their two young sons for the interview, and they were absolutely charming.

When asked what brought them to Tequesta, Millie explained they were both raised nearby; she in North Palm Beach and Ian in Jupiter. Their parents still live in the same homes today. Millie proudly shared that she is a seventh-generation Floridian. Following their marriage, Millie and Ian began searching for a new home. Fortunately, their house hunting brought them to Tequesta in 2020. They were looking for an area with a village feel - a quaint atmosphere where children play outside, similar to the neighborhoods where they were raised..

They love their neighborhood, which has a wide variety of neighbors spanning all age ranges, especially families with children who have become friends with their young sons. When asked what they enjoy most about the Village, they stated Constitution Park, which is walkable from their home. They particularly enjoy the food truck events, Easter egg hunts, and holiday celebrations. Their son also enjoys the gymnastics class at the Recreation Center.

Millie and Ian praised the wide variety of restaurants Tequesta offers. When asked what restaurants they would like to see that we don't currently have, they enthusiastically mentioned a splash pad and C.R. Chicks!

They are looking forward to the upcoming Tequesta Hold 'Em Country Event with line dancing, which should be a lot of fun! The Village of Tequesta's quaint atmosphere and family-friendly appeal have given the Eyeingtons the feeling of "home" they sought for their family.
